Parish Magazine and Village Newsletter

Dear Friends,

How often do you go back to things?

There are people who will every year read a particular novel that caught their fancy and that they do not wish to lose connection with. Equally there are those who will watch a particular film on any number of occasions because something about it works for them. The same could be said for theatrical productions, especially musicals, where sometimes there are people who when you sit in a theatre “enhance” the experience by singing along. There are novels that you might go back to happily and others that you would rather not return to at all.

Does going back work?

If I think back to my school days and my ‘O’ levels, one of our set texts for English Literature was Charles Dickens’ *Great Expectations*. I can remember reading it with no great delight. It improved in my understanding when the BBC serialised it for the first time but it took me a long time to go back to a novel that I had struggled with. I suspect this was mostly because it was an essential read so that I could not avoid it. Being told you have to eat something is very different to choosing to do so. I finally read *Great Expectations* again, maybe 40 years after my ‘O’ Levels and found it much more engaging than during my initial perusal. This was probably helped by not having to write essays about it!!

This retrospective can also apply to holidays. I had a great aunt and great uncle who for every year of their married life returned to the same hotel for the same two weeks in the year. They never varied from this pattern. I am fascinated by people who buy holiday homes and spend all their time going to the particular place where their retreat is located because my preference would always be to look to somewhere new to explore rather than having to rehearse the familiar for the umpteenth time.

I ask these questions because I’ve just pulled a book off my shelf that I last read about 15 years ago. It has happily sat there gathering dust all this time. I

can remember at the time being quite enthralled by it, indeed recommending it for other people to read but a chance conversation propelled me back towards it. The piece in question is called *The Living Jesus* by John Pritchard, a former Bishop of Oxford. It is a reflection on the Jesus who sits astride human history and has great significance both historically and for today. It is a very easy read and in its own way quite inspiring.

I think this all suggests that a reluctance to revisit can actually be detrimental and that there can be something positive in returning, reassessing and re-evaluating.

For those within the church this is a call to go back to basics, to recognise what our fundamentals are in how they should impact upon the way that we live. If you like, to re-engage with the radical message that Jesus presents and use this reassessment in challenging the reality of the modern Church.

Equally those beyond the Church might want to reconsider what it is that the church believes, and to allow themselves to listen to the Jesus story once again. This needs to be done recognising the church doesn't always get it right but it does place great importance upon seeking to live the Jesus way and inviting its followers to pursue peace, love and hope. The Jesus way is non judgmental, inviting outcasts to find a home, trying to be a community where love can dwell.

The church as an institution can be a problem because it fails to grasp the full significance of the message it claims to believe but it is the place where the story is told, the message proclaimed, truth discovered and true worship experienced. It is a place of transformative potential if we take the risk of allowing it to speak to us. Perhaps it is time for us all to reconsider and hopefully discover what the Church should be about and take the risk of allowing ourselves to be transformed.

*Blessings,
Richard*

New Team Vicar

I am delighted to announce that, subject to the usual formalities, the Revd Guy Elsmore has accepted the appointment as Team Vicar in the Schorne Team, with particular responsibility for Whitchurch, Hardwick and Hoggaston.

The date of his licensing service will be **Sunday 29th November at 5pm** at St John the Evangelist, Whitchurch. Please keep Guy, Petra and their family, and the parishes he will serve, in your prayers as they prepare for this new chapter of ministry.

The Revd Caroline Wainman
Team Rector

Guy writes:

I am delighted to have been called to be the new Team Vicar for Whitchurch, Hardwick and Hoggaston. I look forward to serving with the Schorne Team and the ecumenical partnership.

I spent over 20 years of ministry serving in urban Liverpool and after that, 10 years as Archdeacon of Buckingham, during which time I had the privilege of working alongside our rural clergy and churchwardens. I hope to bring some of my learning from that time to help Whitchurch, Hardwick and Hoggaston to flourish.

Some of you will know that I am married to Petra, who is Vicar of North Marston and Granborough. We will continue to live with our children and Labradors at North Marston Vicarage, but I will work hard to make sure I am a regular and visible presence in the parishes I serve.

I know the recent years have been a testing time for the parishes as you came to terms with David's illness and death. My sincere thanks to all those in the parishes and the Team for all that you have done through this difficult time.

I look forward to starting in ministry with you as soon as practically possible, but until then I will keep you in my prayers.

Planning Updates

- Buckinghamshire Council's Cabinet will be considering the submission of their Draft Local Plan – as potentially modified by the recent public consultation – to the National Planning Inspector at a meeting on 10 November 2026. Agendas and reports will be published in the week before the meeting. *[Open to the public and webcast.]*
- Despite the strongest efforts of the Parish Council and villagers, at a meeting on Wednesday 14th October, Buckinghamshire Council's Planning Committee gave planning permission for change of use of the Cooks Hill (High Street) field to a site with 1 static and 1 mobile caravan for a single traveller family (mother and 4 children under 9). Strict conditions were imposed.

Next general meeting

Our next general meeting is on **Tuesday 17th November 2026** at 7.30pm in The Old Schoolroom. Every meeting has an Open Forum, where you can raise any issues.

FIREWORKS – TAKE UTMOST CARE

With Bonfire Night almost upon us, Weedon Parish Council would like to remind everyone of the duty of care when using fireworks – towards all of our neighbours, farmers, pet and horse owners. In a compact rural village location, it is more considerate not to have fireworks or small domestic displays.

Please think about your neighbours and their animals FIRST, if you want to let off fireworks in or on the edge of your village.

- The **Fireworks Regulations** do not allow fireworks between 11pm and 7am. On Bonfire Night, the cut-off is midnight.
- The **Animal Welfare Act** makes it an offence to cause unnecessary suffering to animals and is enforceable by the Police, Trading Standards or the RSPCA.

Breaking these laws can lead to on-the-spot fines, larger financial penalties or even imprisonment!

Fireworks and animals do not mix – inform neighbours well in advance

Livestock, horse and pet owners should be informed **well in advance** of any fireworks being released, so that they can take appropriate action to protect their animals from distress. Please consult with your neighbours and neighbouring animal owners if you intend to let off fireworks.

Information for owners wanting to protect their animals is available on the Blue Cross website: [Fireworks and Animals](#).

The Fireworks Code

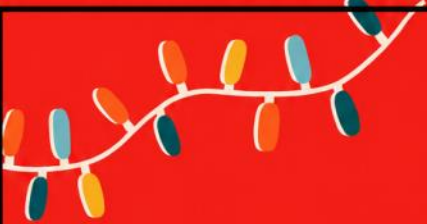

If you do feel that you want to use fireworks on any occasion, as a reminder of continued good practice, please read the short document on the Government website which is the ROSPA (Royal Society for the Prevention of Accidents) Guide and which contains the Fireworks Code: [ROSPA Guide](#).

Be aware of the danger of falling debris and always clear up afterwards

Please also remember that there is a danger in allowing the debris from fireworks to fall in built-up areas – particularly in Weedon and Hardwick where we have a number of thatched cottages. Debris can also cause significant harm to animals if they eat it or get caught in it. So be prepared to clear up wherever your used fireworks fall.

Thank you for your co-operation.

Wild Weedon

*The Weedon Wildlife Group
aims to protect and promote
wildlife in and around Weedon
and Hardwick*

Despite the climate chaos autumn seems to have finally arrived with overnight temperatures in the low single figures. Clearly in Scandinavia things are even colder because the Fieldfares and Redwings have already started to arrive and clear up what is left of the berries in our hedgerows.

As autumn turns to winter the RSPB advice is that feeding seeds and nuts to birds is back on the agenda to help them through the winter food gap. Elsewhere other creatures are starting to prepare for the winter so do try and leave some wild areas in your garden as these can play host to all sorts of things and of course if you're having a bonfire do check it for hedgehogs and the like before setting it alight.

Our annual gathering in the Old Schoolroom was a great success with almost 30 attendees from both Weedon and Hardwick. Robin Pettitt's talk on wildlife photography was excellent and generated much discussion as the refreshments flowed. If you've any good wildlife images then please post them on our facebook page at <https://www.facebook.com/groups/559114594968349> we use this as a great community asset but also as the starting point for images for our calendar. The 2027 edition is well under way but building the image library throughout the year helps us in the long run. The sun is shining as I write so I might just sneak out and see if there are any fungi in the woods – they stay still so photographing them is so much easier!

Finally, if you have any further ideas for activities you would like us to run or projects you would like us tackle please email: contact@wildweedon.org.uk or speak to any member of the committee.

Have a wild autumn folks

WEEDON Golf Society
The Mike Moore Memorial Trophy
Match Report – Aylesbury Vale GC – Thursday 8 October 2026

Our seventh and final fixture of the season was held at Aylesbury Vale GC for the Mike Moore Memorial Trophy; Mike was Treasurer for the Society for around 20 years up to his untimely passing in March 2015.

Nineteen players turned out on a pleasant and mild autumn day and for the first time ever, we were able to field a ladies 4-ball team.

The winner of the Mike Moore Memorial Trophy in his first season with the Society was Steve Simpson with an impressive 40 points; Adrian Bystra was second on 36 points. Steve completed a family double as his better half Charlotte won the Ladies Champions Shield at Studley Wood GC in August; well done to both of you.

A concurrent team Waltz Stableford competition was won by the only 3-ball on the day with 77 points, so well-done Ollie Faithurst, Adrian Bystra and Colin Rose. The Ladies team (Charlotte Simpson, Sarah Gibbs, Margaret Askew and Nicolette Habgood) came in second with 71 points.

Other winners on the day were:

- Nearest pin on 8th hole - Me
- Nearest pin on 16th hole - Me
- Nearest pin on 17th hole - Steve Simpson
- Longest drive on 14th hole - Sarah Gibbs
- Cumulative Par 5 competition - Ollie Fairhurst with 9 points
- Cumulative Par 3 competition – Adrian Bystra with 11 points
- Gallant Loser - Lloyd Absolom

Based on each player's individual performance at this event, handicaps will be adjusted going forwards as per the attached Match Report sheet. As ever, please note that the assessment of WGS handicaps is not a democracy and there is no right of appeal; anyone wishing to complain will run the risk of further repercussions. Details of fixtures for the 2027 season will be released in the spring. In the meantime, the Committee would like to thank all members for their support and commitment during the year and we wish you a Merry Xmas and Happy New Year.

Yours not sincerely at all,

WHITCHURCH & Oving YOUTH CLUB FUND

INVITATION TO APPLY FOR GRANTS

The Trustees of Whitchurch & Oving Youth Club are pleased to announce the establishment of a charitable fund designed to assist the young people of Whitchurch, Oving and designated surrounding villages with single grants for educational and personal development purposes.

Applications for single grants are invited from, and on behalf of, individuals between the ages of 5 to 21 years inclusive who are resident in Whitchurch, Oving, Pitchcott, Hardwick, Weedon, Creslow and Dunton, to a maximum of £500 per award.

Applications for single grants are also invited from not-for-profit clubs, societies and organisations operating primarily for young people between the ages of 5 to 21 years and who predominately reside in Whitchurch, Oving, Pitchcott, Hardwick, Weedon, Creslow and Dunton, to a maximum of £3,000 per award.

Grants will be awarded three times per year, with the deadline for receipt of completed application forms being the 20th of each February / May / October – grant application review meetings will be held shortly after these dates.

For application forms and further information please contact
whitchurchovingyc@gmail.com

Weedon Parish Council – Environmental Concerns

We are lucky to have great access to a large network of public footpaths in and around Weedon. It's important we can ALL enjoy them.

Unfortunately, we must bring to your attention again that inconsiderate behaviour by a few is causing nuisance to the law-abiding majority.

DOG WASTE

Dog owners and walkers must keep all pavements, footpaths, verges, grazing fields and other public areas clear of dog excrement by bagging it and disposing of it appropriately. Dogs must be kept under control on public footpaths and roads – including routes across privately owned fields – so that owners can check if any dog mess needs clearing up.

Please pick up AND dispose responsibly. This is simple respect for other walkers, farmers and landowners, as well as being proper law-abiding behaviour. There are **3 dog waste bins** in the village, which are emptied regularly, so you're never far from one.

1. Outside the large gate to the Park on Aston Abbots Road
2. On Aston Abbots Road next to number 56, by the track leading to Kirby's Field
3. On the lower High Street (just inside the Fortescue path gate)

Alternatively, take bags home for safe disposal (they can go in your general green-lidded waste bin). **Please do not leave any littering the village or surrounding fields.** If you see anyone allowing their dogs to foul our public spaces, please say something if you feel able to do so.

DON'T BE ONE OF THE THOUGHTLESS MINORITY.

Report a stray or dangerous dog

Report a stray dog

If you find a stray dog, you should:

- contain the dog, if it is safe to do so
- look for identification on its collar
- return it directly to its owner (if possible).

If you cannot identify the dog

If the dog has no identification or you're unable to return it to its owner, you are legally required to call **Buckinghamshire Council's dog control service** on:

03444 828 320

A dog control officer will arrange to collect it.

This number is operational 7 days a week, 24 hours a day.

**This is the Buckinghamshire Council
